

UPDATED April 6 Member "Bulletin Board"

We Are Stronger Together

This is a POB Chamber community page created in response to the current health crisis surrounding COVID-19 and its economic impact.

Member support can help keep our businesses healthy. This digital bulletin board is a place for members to share current offers, incentives, discounts and information with fellow members.

Please Note: While some offers are member exclusive, others are open to all.

Keep in mind that you can also purchase a gift card or recommend a member to family and friends. Support can be given in many ways!

If you would like to submit an item for this page,
email it to barbmars@optonline.net

***Items will be added in the order in which they are received.
The list will be updated as quickly as possible
and will be available on the chamber website.***
